

# Eastern Pennsylvania and Delaware Chapter of ACI

April 20, 2018

Good Afternoon,

What a wonderful time had by all at last night's 2018 Excellence in Concrete Awards! I wanted to personally send a quick note of thanks to all of those who attended. It is great to know that our community can come together and celebrate each other's contributions to the concrete industry! A special thanks to our special guests from ACI National – David Lang (President) and John Conn (Director of Chapter Activities).

In the coming week we will have an event photo album posted to here on the website, so please keep a look out. Additionally, I will send project team photos directly to each team contact person. Thanks to our Gold Sponsors and congrats again to all of the awardees!

Let's do it again in 2019!

Sincerely,

Quinton Davis

Awards Committee Chairman
